ORDER

On October 30, 2015, Louisville Gas and Electric Company ("LG&E") filed with this Commission an application requesting to revise rates for its Gas Line Tracker ("GLT") Rider effective December 31, 2015. The Commission finds that its investigation of LG&E's proposed rates is not complete but LG&E should be allowed to place its proposed rates into effect subject to refund. Consequently, the Commission will suspend the effective date of the proposed GLT tariff for one day, and allow the tariff to go into effect thereafter, subject to refund.

IT IS HEREBY ORDERED that:

1. LG&E's proposed GLT tariff PSC Gas No. 10, First Revision of Original Sheet No. 84, is suspended for one day, to be effective January 1, 2016, subject to refund.
2. LG&E shall maintain its records in such manner as will allow it, the Commission, or any customer to determine the amounts to be refunded, and to whom, in the event a refund is ordered upon final resolution of this matter.
3. Within 20 days of the date of this Order, LG&E shall file with this Commission, using the Commission's electronic Tariff Filing System, revised tariff
